

NEEDLE ARTS GROUP

Calling all Stitchers!

A 'Needle Arts Group' is being introduced and will meet every First & Third Tuesday of the month at 7:00 pm at Riverside United Church, beginning February 7th.

This will be a place where all needlework enthusiasts, no matter what level, can come together and share their love of needle arts. Whether you love knitting, crocheting, embroidery, cross-stitch or quilting, you are welcome to join us and work on your own project, while talking and sharing with others who share the same passion.

If you are a needle arts 'wannabe' come on along and one of the 'enthusiasts' will be glad to show you the ropes. No Fee.

All are welcome in the community. Perhaps you will walk away with some new ideas & inspiration & new friends!
